

DEEP SEA RACE BY SCHOONERS

Grover Cleveland Head of the
Jamestown Di-
rectors.

FRISCO SLIM IN LIMBO

Colonel McGinnis, Resists Sale
of His Place to the
Government.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 22.—Deputy
United States Marshal Adolph Schuch
and Special Detectives James B. Roeder
and Ernest Lankhammer, arrived here
to-day from Baltimore with John Smith,
alias John Butler, alias "Frisco Slim,"
and John Adams, alias D. C. Jack,
charged with postoffice robberies in Wil-
liamsburg, Orange and Manassas, Va.
The prisoners were committed to the
Norfolk city jail for arraignment before
Judge Waddill, March 28th.

The local authorities say that Adams
has been in the Norfolk jail before upon
postoffice robbery charges, and the Fed-
eral authorities declare that he has al-
ready served one term for such offense.

The two men are from among a number
of alleged postoffice robbers, or "yegg-
men," who have been operating in the
vicinity of Baltimore and other Mary-
land cities.

DEEP SEA RACE.
A deep sea race will begin here to-
morrow from Lambert's Point to Char-
leston, S. C. The vessels are the Charles G.
Endicott, a four-master, Captain Bailey;
the Twilight, three-master, Captain Rob-
inson, and the Raleigh, three-master,
Captain Joseph Maxwell, com-
manding. All loaded coal here for the
same port and will get away together.

The board of directors of the James-
town Exposition Company will name an
advisory board of one hundred men, to
meet on the fourth Tuesday in April,
and ex-President Grover Cleveland will
head the list, he having endorsed the
Exposition and offered his services in any
capacity in which he may benefit the movement.

Among those who will be invited to
serve on the board are Woodrow Wilson,
President of Princeton University; Pres-
ident Eliot, of Harvard University; Car-
dinal Gibbons, Admiral Dewey, General
Chaffee, General Howard, Thomas A. Kil-
son, George Westinghouse, Mrs. Emma
Blair, Bishop of Baltimore, Henry
Watkinson, Chester S. Lord, George Fos-
ter Peabody, Thomas Nelson Page and
Winston Churchill.

RESISTS AWARD.
Colonel John R. McGinnis, United States
army, appeared in the Federal Court to-
day before Judge E. Waddill, Jr., to have
the award of the commissioners ap-
pointed by the court for his land at Old
Point Comfort set aside. The land is
needed for the enlargement of Port Mon-
roe and for the shore batteries, which
are to be placed on Chesapeake Bay.
The award of the commissioners was
\$25,000. Colonel McGinnis declares that he
bought the property because it was so
beautifully situated for residences, with
the Chesapeake on one side and Mill's
Creek on the other, and that he is loath
to release it at any price. He contends
also that the acreage was not estimated
correctly, and the riparian rights of 3,000
feet were not considered. He says that
instead of the amount offered, the prop-
erty, in excess of one hundred acres, is
worth \$105,000. The case is interesting
as showing the rise in the value of lands
in this vicinity. Judge Waddill heard the
evidence and the arguments, and re-
served decision.

BOY WITHOUT HOME.
Hunter Francis, eleven years of age,
and his father, applied to the police head-
quarters last night for lodging, saying
that his father had driven him from
home. Chief of Police Boush investigated
the case personally and declared that
Police Court to-day that the father was
drunkard and that the mother of the
boy is unable to care for him properly.
Hence he asked the court to send him
to the care of the Society for the Pre-
vention of Cruelty to Children, which
was done; then he arranged that the
boy should be sent to the care of the
boy's cousin, who lives on a farm in
North Carolina, and wishes to take him
for training and education.

UNITED BRETHREN.

Annual Address.

(Special to The Times-Dispatch.)
HARRISONBURG, VA., March 22.—One
hundred and sixth session Virginia Annual
Conference United Brethren in Christ met

from the usual address on account of ill-
ness from which he is now recovering.
George P. Holt was elected secretary.
About seventy-five ministers and dele-
gates are present. Dr. Weekly, general
church erection secretary, and Professor
Hornshel, principal of Shenandoah In-
stitute, were introduced. Rev. A. B. Wil-
son was received into membership from
Allegheny in conference.

It is as impossible to conquer the king of
diseases—Contagious Blood Poison—with Mer-
cury and Potash as it would be to conquer the
king of the forest in a hand-to-hand encounter,
as thousands who have had their health ruined
and lives blighted through the use of these min-
erals will testify. They took the treatment faith-
fully, only to find when it was left off, the dis-
ease returned with more power, combined with
the awful effects of these minerals, such as mercurial rheumatism, necrosis
of the bones, salivation, inflammation of the stomach and bowels, etc.
When the virus of Contagious Blood Poison enters the blood it quickly con-
taminates every drop of that vital fluid, and every muscle, nerve, tissue and
bone becomes affected, and soon the foul symptoms of sore mouth and throat,
copper-colored blotches, falling hair and eyebrows, swollen glands, sores,
etc., make their appearance. Mercury and Potash can only cover up these
evidences for awhile; they cannot cure the disease. S. S. S. has for many
years been recognized as a specific for Contagious Blood Poison—a perfect
antidote for the deadly virus that is so far-reaching in its effects on the sys-
tem. S. S. S. does not hide or mask the disease, but so thoroughly and
completely cures it that no signs are ever seen again.
S. S. S. while eradicating the poison of the disease
will drive out any effects of harmful mineral treat-
ment. A reward of \$1,000.00 is offered for proof
that S. S. S. contains a mineral ingredient of any
kind. Treatise with instructions for home treatment and any advice wished,
without charge.

Candidacy.

(Special to The Times-Dispatch.)
CITY POINT, VA., March 22.—The
Prince George County Democratic Club of
Prince George County, was formed at
Prince George Courthouse last night un-
der the brightest prospects, with a very
large membership. Officers were elected
as follows: Horace L. Smith, of City
Point, chairman; Benjamin F. Foster,
of Prince George Courthouse, secretary.
The club passed resolutions, pledging them-
selves to support Willard for Governor
of Virginia. In the primary this fall, and
that each member will use his influence
in his interest and for the growth of the
club. They endorsed his platform em-
bodying the use of convict labor on the

higher education and better school fac-
ilities. The club proposes to have during
the campaign picnics and fish fries in the
different districts in the county. There
are no dues or fees.

HIGH LICENSE TAX ADVERSELY REPORTED

(Special to The Times-Dispatch.)
PETERSBURG, VA., March 22.—The
Finance Committee will report unfavor-
ably to the Council on the proposed in-
crease in the liquor license tax from the
hundred and twenty-five dollars to five
hundred and twenty-five dollars. A three-
hour session this evening, when the
whole license tax ordinance from A to Z
was carefully reviewed and the liquor
question, especially discussed.

The mayor's other recommendations
that saloons be closed at 10 o'clock and
women be rigidly excluded under penalty
of arrest and fine, will be considered at
another meeting.
These suggestions were contained in a
letter from the mayor to the Board of
Aldermen at its last meeting.

INTERMONT AFIRE.

Roof Burned Off the Kitchen
and Hotel Threatened.

(Special to The Times-Dispatch.)
COVINGTON, VA., March 22.—A fire
caused considerable damage to the In-
termont Hotel to-day about 2 o'clock. It
burned the roof off the kitchen and ad-
joining rooms. For a time the whole
building seemed doomed, but the effi-
cient work of the fire company resulted
in saving the hotel.

TO GRAND JURY AND DISCHARGED

Young Man Makes Fortunate
Escape From Serious
Charge.

PATROL AND AMBULANCE

The City Will Furnish Them
by Contract Instead of
Owning Them.

(Special to The Times-Dispatch.)
PETERSBURG, VA., March 22.—First
sent on to the grand jury and then dis-
missed in the Police Court was the for-
tunate procedure in the case of Forest
H. Smiley. The young man, who is from
North Carolina, was arrested yesterday
on the charge of stealing forty-two dol-
lars from O. C. Hayes, a Seaboard Air
Line engineer.

Smiley was suspected of taking the
money from the person of Hayes while
the latter was taking a nap yesterday
at the Dunlop Street station of the Sea-
board Air Line. The two men were un-
known to each other. Hayes went to
sleep with Smiley beside him, and on
awakening found that his roll was gone.
Smiley was arrested soon afterwards
and denied having more than five or six
dollars, but was searched and found to
have thirty-five dollars hidden in his
sock.

His testimony was contradictory, but
the mayor reopened the case and ar-
rested Smiley after a statement by
Hayes that he might have lost the money
though a hole in his pocket. The money
was returned to Hayes.

BIG CONTRACT.
The Finance and Police Committees of
the Council have decided to recommend
the furnishing of wagons by contract for
patrol and ambulance purposes, instead
of purchasing such a vehicle.

Messrs. Wells and Bland have been ap-
pointed a committee to invite bids for
such a contract.

It is reported that Congressman Swan-
son will soon visit Petersburg.

Tobacco sales are unusually large at all
the warehouses, and prices are well main-
tained.

A sacred concert by Richmond musical
talent was greatly enjoyed by a large
audience at High Street Methodist Epis-
copal Church last night. Another con-
cert will be given during May.

The Hebrew Sheltering Aid Society gave
a handsome ball at Liberty Hall last
night.

The burial of Mrs. Fannie G. May,
whose death occurred in Roanoke yester-
day, took place here this afternoon in
the Rod of Shalom Cemetery.

Mrs. May was a former resident of
Petersburg.

METHODISTS MEET.

Baltimore Conference at Win-
chester—Bishop Duncan Presides

(Special to The Times-Dispatch.)
WINCHESTER, VA., March 22.—The
one hundred and twenty-first Baltimore
Annual Conference of the Methodist Epis-
copal Church, South, convened in Brad-
dock Street Church this morning. Two
hundred and eighty ministers and one hundred
lay delegates in attendance.

In the absence of Bishop Wilson, who is
in Baltimore, Rev. Dr. Collins Denny,
of Nashville, Tenn., presided until the
arrival at noon of Bishop Wallace
Cann, of Spartanburg, S. C. Bishop
Cann, of Georgia, was unable to come be-
cause of illness in his family.

Rev. Dr. James E. Armstrong, of Salem,
Va., was elected conference secretary for
the eighteen term. Reports made by
various districts and auxiliary societies
showed satisfactory increases, and the
conference organ, The Baltimore South-
ern Methodist, nine months old, has
nearly seven thousand subscribers, is free
from debt, with over one thousand dol-
lars surplus.

This session of the conference will see
many changes, as twenty-six ministers
have served the limited time.

LICENSES REFUSED.

Young Man Imagines Himself
a Spirit and Goes Insane.

(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., March 22.—
Judge Tyler, in the Circuit Court of War-
renton county to-day, refused to grant
licenses for saloons located along the
waterfront just below this city. This
means that the saloons nearest the water-
front now will be closed for the old Bar
Harbor district, at the foot of Washing-
ton avenue.

The judge granted only five licenses for
Bloodfield, turning down nearly a dozen
applications.

The Anti-Saloon League made a fight
against the granting of any licenses in
the lower end of the county, claiming
that the section was not properly pol-
iced. The judge refused to make any
sweeping decision, however, and took the
applications up one at a time.

It is understood that John M. Z. T.
Jones, of this city, who has been one of
the most active agents of the league, is
to be made chief of police of Blood-
field. This would be a terrible blow to
the liquor element in that vicinity, as
well as to the present authorities.

A committee of the league has adjudge
d Simon D. Hershberg insane. The young
man was arrested on the street several
days ago and since that time he has
been raving, imagining himself to be a
spirit, Daniel Hershberg, of the firm
of Smoker and Hershberg, of Norfolk,
his son was at one time in the asylum
at Staunton, having injured himself by
violent bicycle riding.

Ky., has resigned his pastorate, to take

commencing April 1st.

Rev. Richard Edwards has resigned as
pastor of Jerusalem and Farnham
Churches, in the Northern Neck, having
accepted charges in Accomac county,
where he will go for his new duties on
May 1st.

A meeting of the directors of the com-
ing Horse Show to be held in this city
July 12th and 13th, was held here to-day
and plans and features for the exhibition
were discussed with interest and en-
thusiasm.

Colonel C. A. Dempsey, United States
army, inspected the Washington Guards,
Captain M. B. Rowe, in the Armory here,
Monday night, and complimented the com-
pany upon the soldierly bearing and ap-
pearance of the men. A large crowd of
spectators witnessed the inspection.

Rev. J. H. Light, pastor of the Metho-

dist Church here; Major W. S. Embrey
and W. P. V. D. Conway, delegates, have
gone to Winchester, to attend the Balti-
more Conference of the M. E. Church,
South.

The property on Prussia Street, be-
longing to the estate of the late Nancy
Pittman, was sold at auction here yester-
day and purchased by Mr. J. Edward
Timberlake.

Messrs. W. J. Brockman and A. L. Har-
low, of Louisa county, left for West Vir-
ginia a few days ago to engage in railroad
contract work, and carried with them
thirty laborers from that county.

Mr. Thomas Murphy has sold to Dr. W.
N. Chinn, his farm known as "Lee Hall,"
in Westmoreland county, near Hague.

Eddy Press of this city, and is a promi-
nent member of the various Masonic
organizations of Winchester. The bride
is one of the most attractive and charm-
ing girls of Winchester, and is the great-
granddaughter of Adam Kurtz, who, as
a member of the famous "Dutch Mass,"

the siege of Quebec in 1759. Her mother
was a Miss Clayton, a descendant of the
distinguished family of that name, and
her father, Mr. Eddy, is a prominent
business man of Winchester. The bride

Builders Association of Virginia, and the

THE VALUE OF CHARCOAL.

Few People Know How Useful It Is in
Preserving Health and Beauty.

Nearly everybody knows that charcoal is
the most efficient disinfectant
and purifier in nature, but few
realize its value when taken into the hu-
man system for the same cleansing pur-
pose.

Charcoal sweetens the breath after
taking it. It is better; it is not a drug
at all, but simply absorbs the gases and
impurities always present in the stomach
and intestines and carries them out of
the system.

Charcoal sweetens the breath after
smoking, drinking or after eating onions
and other odorous vegetables.

Charcoal actually cleans and improves
the complexion, it whitens the teeth and
further acts as a natural and eminently
safe cathartic.

It absorbs the injurious gases which col-
lect in the stomach and bowels; it dis-
infects the system and throat from the
poison of catarrh.

All druggists sell charcoal in one form
or another, but probably the best char-
coal and the most for the money is in
Stuart's Charcoal Lozenges; they are com-
posed of the finest powdered Willow char-
coal, and other food, rather in the form of
large, pleasant tasting, lozenges, the
charcoal being mixed with honey.

The daily use of these lozenges will
soon tell in a much improved condition
of the general health, better complexion,
sweeter breath and purer blood.

It is, that no possible harm
can result from their continued use, but on
the contrary, great benefit.

A Buffalo physician in speaking of the
benefits of charcoal says: "I advise Stuart's
Charcoal Lozenges to all patients
suffering from gas in stomach and bowels,
and to clear the complexion and purify
the breath, mouth and throat; I also be-
lieve it is greatly benefited by the use
of twenty-five cents a box at drug stores,
and although in some sense a patent prepa-
ration, yet I believe I get more and bet-
ter charcoal in Stuart's Charcoal Lozen-
ges than in any of the ordinary charcoal tab-
lets."
